

WHERE FOUR DIED in head-on crash between an east bound passenger car and a large earth hauling truck traveling west on U.S. 30. The two vehicles met on the curve about a mile west of the junction of U.S. 30 and 45 at Frankfort. From the state police report the driver of the passenger car strayed over into the westbound lane, and then swerved to his right as the truck driver swerved left in an effort to avoid a collision. The two moves brought the vehicles together, head-on, it was said. The picture at the left shows the two vehicles in the position they were in after the collision. The picture at the right shows the wreck of the passenger car in which the four occupants died. The Mokena Volunteer Fire Department rescue squad had to make numerous cuts in the car before the bodies could be removed. (Graphic Newspapers photos)

Area Communities Plan Memorial Programs

Area communities will celebrate Memorial Day next Tuesday with parades and public gatherings and services for the war dead in local cemeteries.

Originally set aside to pay homage to those who lost their lives in the War Between the States, Memorial Day has become a day on which all the American war dead are honored.

Parades will be held at Mokena, Frankfort and New Lenox.

At Frankfort the forenoon is given over to memorial services while the afternoon and evening will be devoted to sports and feasting.

Bobzin - Swinford Post, American Legion, will be in charge of the parade and the salute at Pleasant Hill Cemetery where school children will help in decorating service men's graves.

The parade will form on the Frankfort Grade School ground and move north on Ash St. to Kansas where it will proceed west. Besides the Legionnaires, the Legion Woman's Auxiliary, the Junior Auxiliary, Girl Scouts and Boy Scouts, the Dominos all-girl color guard unit, the Lincoln-Way High School Band and the Frankfort Grade School Band will take part.

Members of the village board will march in the leading section and at the village hall the ranks will halt while a wreath is laid at the base of the monument erected in honor of Frankfort residents who saw war service.

The marchers will board buses at that point for the trip to the cemetery. The parade is to move off at 10 o'clock. After the ceremonies at the cemetery participants will go to Frankfort Community Park at 11:30.

Two Little League teams are scheduled to play ball at 12 noon. The volleyball match is to begin at 12:30 and after the Little League game is finished the Pony nine will play the Frankfort Lions Club. Mayor Glenn Warning is slated to toss out the balls to signal the start of each game and it is believed he can make the two

itches without strain on his gavel arm.

Four church teams will compete in the volleyball match, the Methodists, St. Peter's, the Church of the Good Shepherd, and the Roman Catholics. The last named team will be captained by Dr. Joseph Petnuch; Clyde Reils, former village trustee, will pilot the Methodists; Mike Subbert will head the Lutherans, and Herman Weichbrodt, the St. Peter's team. Glenn Schroeder will be the arbitrator.

The S.P.C. will conduct a bakery sale at the pavilion with the proceeds going to the refreshment stand building fund. A new refreshment stand has been erected and will be going full blast.

At 5 o'clock the women of St. Peter's church will serve a supper, to which the public is invited, and at 7:30 o'clock, in the grade school gym, the Lions will stage their annual Turtle Derby. The Mokena parade, with William Martin Post, VFW, in charge will assemble at the Veterans of Foreign Wars Hall on Wolf Rd. at 10:30 and move off at 11 o'clock.

Ervin D. Friant, who is in

charge of arrangements, invites all groups and individuals in the village to take part in the affair. Any groups interested, who have not already signified their intention to take part in the parade, are asked to call Friant at 479-9455 after 6 p.m. Besides the VFW post member, the Woman's Auxiliary, the Boy Scouts and Girl Scouts and the Mokena Grade School Band will march. Salutes will be fired in the Pioneer Cemetery first. The parade will then move to St. Mary Cemetery for a similar ceremony and then counter-march to St. John's Cemetery.

At New Lenox the Veterans of Foreign Wars will have charge of the parade that will form on the Oakview School grounds, 809 N. Cedar Rd. at 10 o'clock. The New Lenox Grade School Band will march as will several military reserve units from Joliet, Boy Scouts and Girl Scouts, public officials and representatives of other civic bodies. The parade will move south to Hickory St. and thence west to Maplewood Cemetery where a volley will be fired and Taps sounded.

Park Program Opens June 13 In Mokena

The summer recreation program sponsored by the Mokena Park District will begin June 13 and run until Aug. 6, it was announced this week by Charles Swanberg, board president.

The program is open to all youngsters of school age--6 to 14 years--residing in the district and registration is slated for June 12 and 13 between 9 a.m. and noon at the park.

The recreation program will be held daily, Monday thru Friday, between 9 and 12 noon and 1 and 4 p.m., with Miss Sarah Sippel in charge.

Among the games offered will be dodge ball, volleyball, softball, baseball, badminton, horseshoes, football, soccer, miniature golf and bean bag.

The park board's new tennis courts, which are also marked for basketball, are ready for use. Their black-top surface is covered with a green plastic mixture.

Area Council PTA To Meet

The Eastern Will County Area Council will hold its May 25 meeting at the Willowcrest School, Mokena at 7:30 p.m. Local PTA units from Frankfort, Lincoln Estates, Manhattan, Beecher, Peotone and Mokena will participate in a workshop for PTA officers and committee chairmen.

The school of instruction will be conducted by District #22 officers, Mrs. Dean Weir, District Director.

Four Die When Passenger Car, Truck Meet Head-On

Four persons, all occupants of a passenger car, were killed and a truck driver suffered shock as a result of a head-on collision last Thursday on the curve on U.S. 30 about a mile west of the intersection of Routes 30 and 45 at Frankfort.

Coroner Willard G. Blood, who made a first hand investigation of the crash at the scene, believes the driver of the passenger car was traveling fast when he took the curve and ran over the center line into the west bound lane.

State Trooper E. J. Collins, who covered the accident for state police, said that from the skid marks and the statement of the truck driver the passenger car came over into the west bound lane. The truck driver, Casper Mindone, 31, of 106 Louis Rd., (Preston Heights) Joliet, employed by Brown and Lambrecht, earth movers, applied his brakes and sounded the air horn, and veered left in an effort to miss the car, according to the report. At the same time the driver of the passenger car, Fred E. Freers, 69, of 524 Woodlawn Av., Muscatine, Ia., swung back to his

lane and the two moves brought the two vehicles together head-on, it was stated.

Freers, his wife, Minnie, about 64, and another couple Robert Budelier, 72, and his wife, Maude A., 70, of Rt. 1, Wilton Junction, Ia., the four occupants of the car were instantly killed.

Mindone was taken to Silver Cross Hospital, Joliet, for treatment of shock.

The rescue squad of the Mokena Volunteer Fire Department, had to cut the car apart in order to remove the bodies.

The crash occurred about 10:25 a.m. The Mokena rescue squad arrived at the scene about 10:30 and it was about 11:30 when the bodies, badly battered, were removed to the Frankfort Community Chapel, from where they were returned to Muscatine.

The Freers had two sons residing at Holland, Mich., Russell, a school teacher, and Robert, an insurance man. The parents were enroute to visit them.

According to State Trooper Collins, the impact

took place 330 feet east of Elsner Rd. There have been several fatal crashes on this curve but this is the first since the pavement was resurfaced and the segment of the old section of U.S. 30 was removed. That condition existed for a number of years and was blamed for most of the fatalities. A motorist going into the curve from the west was inclined to follow the marks of the old road which put them in the west bound lane.

There was a strong wind blowing last Thursday forenoon and it is possible, some believe, that it might have been a factor in the collision.

Coroner Blood commended the Mokena rescue squad for its efficiency in extricating the bodies from the wreckage and the state, Frankfort and Mokena village police and county police in the handling of traffic past the crash scene. The Frankfort fire department also assisted.

Voters Finally OK Ann Rutledge Bonds

The third time was indeed the charm as far as the Ann Rutledge School District building bond issue was concerned. Defeated at two previous referendums the issue finally received approval last Saturday when 171 persons went to the polls.

The bond issue carried by 10 votes, 90 to 80. There was one spoiled ballot.

On previous occasions the bond issue was for \$47,000. At last Saturday's referendum it was \$49,000 as material costs are rising, it was explained.

Ann Rutledge School, which serves Lincoln Estates, is in need of more room to meet the needs of a growing enrollment. Another classroom and multipurpose room are called for in the plans.

The architect is said to have the plans ready and the school board is expected to get bids as soon as possible so work can get underway.

Members of the board expressed their gratitude to the taxpayers for approval of the bond issue.

Grace Barry Resigns From Village Board; Moving To California

Mrs. Grace Barry, a member of the Orland Park Village Board, resigned her post at Monday night's meeting. The resignation, which was accepted with sincere regret by her colleagues, is effective June 1.

Mrs. Barry is moving to California. She has made several trips there in the past year and finally decided to make her home on the West Coast.

Her last act at the regular meeting of the council Monday night was to turn over a check for \$800 for the purchase of 12 picnic tables for the two parks that are being readied for the summer. These tables have attached seats and are of heavy construction. They are given as a memorial to her late husband, Raymond Barry, who died several years ago while he was a member of the village board.

Mrs. Barry has been in charge of the operation of the communications system serving village offices and the police and fire departments and also was in charge of the maintenance of the village hall and Municipal Building No. 2 on West Av.

In her letter of resignation Mrs. Barry said that she has enjoyed her work as a member of the village board and expressed her appreciation of the cooperation given her by fellow members.

It is quite possible that Mrs. Barry's successor will be appointed at the next meeting of the board.

Eagle Golf Team Out Of Money In State

Sanduburg High School golf team, which had won its way into the state finals at Champaign finished up in 16th place with a score of 671 which put them a point back of Lockport which finished with a total of 670.

New Trier East won the state title with a score of 638. Maine South of Park Ridge closed with a rush to come from 13th up to a third place finish with a 653. Second was Glenbard West with a 645.

Mike McBride had a 83-78-161 and his brother John shot 83-83-186. Alan Sprinkle shot 81-90-171 and John Meenahan 94-81-175.

Special recognition was given Arthur Omland for 25 years service to Scouting at the Parents Night awards meeting of Mokena Boy Scout Troop 49. The meeting was held in the Carpenter Street School.

Omland was presented with a 25-year pin tie bar and a set of book ends inscribed with the Scout Oath and Scout Laws.

The presentation was made by James Marti, former Mokena mayor who is president of the Lions Club. The Lions sponsor Troop 40.

"This is Art Omland's 25th year in Scouting," Marti said, "and we honor him tonight with a small token representing our esteem and his devotion to Scouting, Mokena and Mankind."

In the course of his talk Marti pointed out that Omland, as a boy, had been a member of Troop 613 in Chicago, and later became assistant scoutmaster, he went into the armed services in 1942 and after the war finished school and became scoutmaster of Troop 669, also in Chicago. He served in that capacity for five years until he came to Mokena in 1953.

The late Rev. William Riemann, then pastor of St. John's Church, asked Omland to serve as scoutmaster of Troop 40 and he did.

"He joined the Lions Club in 1954," Marti went on, "and is still serving the community thru the club. That same year - 1954 - Art became involved in Red Cross work. He also served as a volunteer fireman and is now a member of the Mokena park board."

"In 1956 he received a statuette from Rainbow Council inscribed, 'Outstanding Service to Boyhood. In 1962 Art retired as scoutmaster and since then has served on the troop committee."

"Also in 1962 the Mokena Chamber of Commerce chose Art as outstanding citizen of the year and in 1964 he received a certificate from the Red Cross for meritorious service to humanity."

"He is now troop committee chairman and also assists the Scouts in first aid and other merit badge work."

"We are grateful and honored to have a man such as Art to work with us and our boys for the good of Mokena and the country."

Certificates of leadership were given: Eugene Golden, senior patrol leader; George Bean Jr., James Leonard, Steven Tomany, patrol leaders; George Anast, scribe; John Kappel Jr., librarian; Larry Jecha, Paul Lock and John Kappel, assistant patrol leaders.

Tenderfoot rank: Danny Saenz, Terry Grady, Randy Boyd, Robert Lawson, Craig Backhus and Cory Headman. Second Class rank: Paul Lock, Mark Matteo, Douglas Laird, Bradley Miller and Gordon Richards. First Class rank: Larry Jecha, Gary Romb, James Leonard. A life saving merit badge was awarded John Sellers.

Adult Scouter Awards were given John Weber, Kenneth Corniels, George Bean Sr. and Howard Kitter.

Committeemen, besides Omland, are Steward Shoop, Kenneth Helm and Gerald Leonard.

Arbury Hills

Parade Marks Opening Of Baseball Season, May 28

MRS. EDWARD HOVI Telephone: 479-5740

The annual gala opening of the Arbury Hills Boys Baseball season will be held this Sunday, May 28. It will begin with a parade throughout our community beginning at 1:00 p.m. with the lineup at 12:30 p.m.

There will be No Parking signs posted along the parade route. Please honor these signs to enable the parade to continue without difficulties. It should not be too difficult to park all the cars in the driveways.

The parade will finish at the baseball field where there will be four trophies presented to the four entrants judged the best.

The day will continue with the playing of a doubleheader game. The teams scheduled to play are the two "B" Teams of nine to twelve year olds in one game and two of the Farm Teams in the other game.

The day may not show baseball in its purest form, but you may be assured of an enjoyable time, if you make the effort to come out.

The Junior Girl Scout Troop Number 103 held a Mother-Daughter Lawn Party at the home of their leader Mrs. Alice Kilgore on Elm Avenue last week.

The girls presented skits devised by each patrol for the amusement of the mothers. Mrs. Kilgore then presented each of the girls with the badges earned throughout the season.

The girls then were given an explanation of what to expect from the Cadette Girl Scouts, if they were to enter the troop. Mrs. Barbara Markowski, the Cadette leader was present both as a mother of one of the Juniors, and as the Cadette leader. Refreshments were serv-

ed to the mothers by the girls, and the evening was completed by the girls giving their mothers a potted petunia and a hand made bulletin-note board.

The girls went on a nature hike at the Sandwich Nature Center on Saturday morning. They were transported to Joliet by car and then bussed to the nature center.

Orland FD To Give Tornado Warnings

The Orland Park fire department has put a warning system in use to apprise residents of danger from tornados. It was first used last Thursday when Fire Chief Arthur Granat received a tornado warning from state police. A funnel cloud was reported in the vicinity of Joliet and heading in a northeasterly direction.

Chief Granat figured that prolonged use of the station sirens would attract attention but to make certain he sent out rigs equipped with public address systems and a police squad car so equipped also joined in the alert that was carried to the four quarters of the community.

From the number of telephone calls recieved at the village hall the system worked very well, Chief Granat reported to the village board at its meeting Monday night. There were, of course, a few complaints. Some persons objected to the noise and a few parents were rather sharp about the fact that their offspring had been awakened by the sirens. Village officials figure, however, that it is better to have a child awakened than possibly killed so the alarms will continue to be given in the event tornados are reported in the area.

Chief Granat said that the central sirens would sound

Mokena Lions To Hold Annual Meeting June 1

Newly elected officers of the Mokena Lions Club will be installed at the organization's annual meeting next Thursday night, June 1. The meeting -- which is also Ladies Night -- will be held at the Matterhorn Club, 123d and U.S. 45.

The cocktail hour will be from 6 to 7. Dinner is scheduled for 7 o'clock. Tickets are \$10 a couple. Music will be provided by the Singing Meteors of Willowcrest School under the direction of Miss Sharon Connolly.

Officers to be installed are, Kenneth Helm, president; James Ennis, first vice president; Frank Holaday, second vice president; Norman Strassenburg, third vice president; Fred Lehmann, secretary; Donald Schofield, treasurer; directors, Walter Welsch, Lyman F. Teague, Louis Rauch, John Weber, Edward Haislet, Paul Kniertem, Robert Schultz; tall twister, Gordon Richards and Clyde Bond, Lion tamer.

The girls held their bridging ceremony which brings these girls out of Junior Scouting and into Cadette Scouting.

Mrs. Ott, who has been a Brownie Scout leader for the past few years will become the leader of Junior Troop 103 replacing Mrs. Kilgore who has given of her time for some time.

for five minutes without stopping. At the same time the P.A. equipped rigs will be dispatched. The village has been divided into four quarters and a rig will be assigned to each. The crews will sound sirens between announcements over the public address system advising residents what course to follow to escape harm.

The use of the rigs is necessary, Chief Granat explained, because there are areas in the community where one cannot hear the central sirens under certain wind conditions.

The "all clear" will be signalled by the central sirens sounding for one minute, remaining silent for a minute and then sounding again for a full minute, Chief Granat said.

Ban Parking Of Inoperable Cars In Orland

An ordinance to ban parking of cars on public streets or property for more than 48 hours or the parking of junk or inoperable cars on private property for more than 30 days, has been approved by the Orland Park Village Board.

Police are empowered to have such cars impounded. If the owners want to redeem them they have 10 days in which to do so thru payment of fees. They also face payment of fines.

There are several communities in the area that have similar ordinances including Lockport, Mokena, Frankfort and New Lenox. There is a provision in the measure which provides for proper notice being given alleged violators. Village Attorney Raymond Pieper pointed out. This provision, it was said, protects the village and the car owner.

Solicitations

Several fund solicitations are scheduled for Orland Park. The American Legion Auxiliary will conduct its annual sale of poppies today (May 25) and tomorrow. The Salvation Army is to have its annual doughnut tag day June 9 but the sale of tags is scheduled to begin at 4 p.m. June 8. A house to house canvas for money to combat multiple sclerosis is scheduled for the week of June 5-11. The village board approved these requests to solicit funds in Orland Park.

Joyce Harling Is Wed To Wayne E. Rechkemer

At a double-ring, candle-light ceremony March 18, at 7:30 p.m., Miss Joyce Arlene Harling exchanged nuptial promises with Wayne E. Rechkemer in St. John's United Church of Christ, Mokena.

The Rev. Laslo Hunyady performed the service that united the daughter of Mr. and Mrs. LeRoy Harling, 19917 Center St., Mokena, and the son of Mr. and Mrs. Emil W. Rechkemer, 193rd. and Wolf Rd., Mokena.

The bride, given in marriage by her father, chose a toe touching gown of linen and Venice lace featuring a bateau neckline, double sleeves and an empire crescent bodice that continued into a controlled A-line skirt with wateau train. Her imported silk illusion veil was worn shoulder length and held by crystals. She carried a cascade bouquet of phalaenopsis orchids and stephanotis.

Miss Bonnie Stuff of Peoria, maid of honor, chose a pink chiffon over taffeta frock featuring a scoop neckline, crystal pleated lantern sleeves and an empire bodice that continued into a slim sheath skirt. She carried a cascade of miniature pink and white carnations accented with spiral eucalyptus.

Identical gowns were worn by bridesmaids, Miss Elaine Rechkemer, sister of the groom, Gayle Harling, sister of the bride, Karen Rahm and Carol Benson, junior bridesmaid, Miss Karen Teague, Warren Keuch, cousin of the bridegroom, served as ringbearer.

Acting as best man was Don Blomquist, and ushers were Lonnie Michaelson, James Yunker, Don Bettenhausen, and Robert Sederok.

A reception followed in the church parlors with 300 guests in attendance.

For her daughter's wedding, the bride's mother chose a gown of blue lace over a crepe sheath with blue accessories. The mother of the groom wore a two piece aqua lace over taffeta frock with bone accessories.

Both mothers wore pink cymbidium corsages. Miss Mary Rose Ponsetta, college roommate of the bride, was in charge of the guest book.

Following a weeks honeymoon at The Abbey in Wisc., the newlyweds are now residing in Elmhurst, where both are attending Elmhurst College.

NADINE SAVAGE -- Mr. and Mrs. James B. Savage, 15164 Hiawatha Trail, Orland Park, announce the engagement and forthcoming marriage of their daughter, Nadine, to Jean Louis Tenagel IV, son of Mr. and Mrs. Jean Tenagel III, 8638 S. Latrobe, Oak Lawn.

Nadine is a graduate of Carl Sandubrg High School, and is presently employed by the Internal Revenue Service, Chicago.

Jean is a graduate of Reavis High School, Oak Lawn, and is presently employed at Lamson & Session.

A June 17 wedding is being planned.

MR. AND MRS. TERRY W. LARSON
(Behne Studio)

Rita Schinkowski Is Wed To Terry Larson

Vases of white gladioli and daisies decorated the altar of the Good Shepherd Lutheran Church, Frankfort, for the marriage of Miss Rita Ann Schinkowski and Terry Wayne Larson.

The Rev. Erwin Baumgartner officiated at the April 8, 4 p.m. candlelight double ring ceremony uniting the daughter of Mr. and Mrs. Orville Schinkowski, 210 Walnut St., Frankfort, and the son of Mr. and Mrs. David Larson Jr., 300 Union St., Joliet, Ill.

The organist was Wayne Swanberg, with wedding selections being sung by Francis Klinger, both of Mokena.

Escorted to the altar by her father, the bride wore a white floor length gown of imported chantilace, with a sabrina neckline, long traditional sleeves, and a fitted bodice that continued into

the full tiered bell skirt. Her silk illusion veiling was worn elbow length and held open by chantilly lace petals accented by Aurora crystals. She carried a cascade of Phalaenopsis and Lily of the Valley.

Serving as maid of honor was Sharon Koenig. She wore a Nile green floor length dress with elbow length sleeves and an empire bodice that continued into the soft "A" line skirt. Her headpiece was styled with a jet veil and featured a pearl comb with four tiered veil. She carried a cascade of miniature white carnations and yellow daisies.

Bridesmaids were Barbara Seamann, cousin of the bride, and Linda French, cousin of the groom. They were dressed identical to the maid of honor.

Attending the groom as best man was Robert Erick-

son, with groomsmen David Larson III and Fred Schinkowski. Ushers were Howard Raddatz and Allen Seamann.

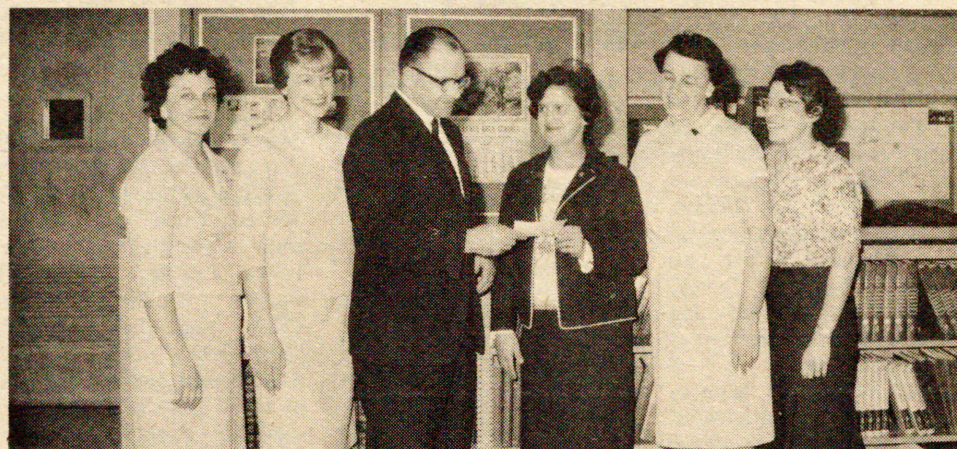

For her daughter's wedding, the bride's mother chose a three piece off-white suit with mint green accessories.

For her son's wedding, the groom's mother chose a yellow dress with matching coat and white accessories. They each wore a cymbidium orchid.

A reception followed in the Veteran's Memorial Building in Frankfort with about 500 people attending.

After a week's honeymoon at Ft. Lauderdale, Fla., the couple now reside at 600 Lincoln Lane, Frankfort.

The new Mrs. Larson is employed at Standard Industrial Compounds, and the groom is an employee of Braun Sales, New Lenox.

GENEROUS GIFT--June Miller, president of the New Lenox Parent Teacher Organization, presented a check for \$870 to Arnold J. Tyler, superintendent of New Lenox Schools, to be applied on the purchase of playground equipment, a tape recorder, a portable public address system, and shrubbery for the schools. Left to right, Evelyn Krohn, chairman of the finance committee; Elta West, treasurer; Mr. Tyler; Mrs. Miller; Kay Callahan, secretary; and Joyce Schofield, vice president.

Motor Club Fights To Keep Gas Tax For Highway Use

The Chicago Motor Club today voiced opposition to any increase in the state gasoline tax until such time as both the Illinois senate and house pass a resolution calling for a constitutional amendment barring diversion of highway user tax money.

Gerald W. Cavanagh, motor club president, in commenting on proposed legislation calling for a three-cent hike in the gas tax, said:

"The Chicago Motor Club will oppose any requests for additional tax levies on the private passenger car owner until the General Assembly gives the voters of Illinois the opportunity to vote on whether or not they

meet Friday night, May 26, at Oakview school at 7:45 p.m. Plans will be made for a field trip to O'Hare Airport, and a Baseball game in Chicago. The trip will be made soon after school is out, and will climax the years activities.

want a constitutional safeguard insuring that their highway user taxes will be used only for road purposes. Twenty-eight states already have adopted similar anti-diversion amendments.

"There can be no long-range benefit to the highway-user if motorists' taxes are increased without there first being an absolute guarantee that the money will be used exclusively for highway purposes. Only through adoption of the anti-diversion amendment can Illinois be assured of the funds necessary to provide citizens with the safest, most modern road network possible.

"Passage of an anti-diversion resolution such as SJR 10 or HJR 16, which have already been voted out of committee, is essential before the club can consider approval of a gas tax increase of any kind."

Cavanagh also said the club would oppose any increase in gasoline tax without an equitable realignment in the registration fees applicable to passenger vehicles and to trucks. He said:

"A higher gasoline tax without a substantial increase in truck license fees would inflate the already substantial subsidy passenger car owner are contributing to truck operations on Illinois streets and highways."

Midget Racing Opens At Joliet Stadium Friday

A new racing season, a newly remodelled race track, new lights installed and new car owners and rookie drivers all add up to an exciting 1967 season at Joliet Memorial Stadium when Promoters Chuck O'Day and Leo Melcher open the gates for the first race on May 27. Next Tuesday night the annual 50-lap Memorial Day race will be run.

The turns on the flat, quarter mile asphalt track have been pulled in 18 feet thus giving maneuvering room to the fast U.A.R.A. midget race and drivers. The officials and members of the United Auto Racing

Association have opened their membership to Offenhauser powered race cars thus, with all the new improvements at the track, a new sound may very well be heard when the "Offy's" take to the track in competition with the fast Falcons, Chevy II's, Volvos and Ford V8-60's.

Among the ten new registered car owners in U.A.R.A. this year is Bob Lockhard, a past champion car owner in U.A.R.A. who turned to sprint race cars five years ago. Due to business commitments, Bob sold his sprint car last

year and has entered his sleek, new No. 69 Chevy II midget for competition in U.A.R.A. Returning to active competition is Jerry Matter, pit steward in U.A.R.A. last year who will drive the John McDowell No. 9 Volvo car. George Kladis will drive the No. 75 Volvo McDowell team car. Also returning to action at Joliet Memorial Stadium will be the

three drivers who were virtually tied for the number one Championship spot up to the last race of the 1966 season, Gene Varing, John "Pancho" Padilla and Lockport's Bob Richards. Tom Ward from Lafayette, Ind. who competed in several shows at the Stadium last year has joined the Association. Ex Marine rookie driver - Charles Cook Jr. will handle the driving

chores for Charlie Sr. in the fast No. 90 Chevy II car out of Lockport. Qualifying for the opener will be at 7 p.m. with the

first race scheduled for 8:15. As in the past, children under 12 years of age are admitted free when accompanied by their parents.

Tulips, daffodils, hyacinths and crocus have been in bloom for several weeks, and many are now beginning to die down.

At this time it's well to keep ahead of the spent flowers and keep them cut off. It is important to remove them to prevent seeds forming. Allowed to form, the seeds sap the vigor of the bulb and next year the blooms will be smaller and fewer.

Another good reason for removing spent flowers is to keep the garden and flower bed neat and attractive. And dead flowers are a source of disease entry to the bulbs. Foliage however, should not be cut or removed. It should be allowed to mature and ripen naturally. As long as the foliage remains it produces plant foods which go into the production of more and larger bulbs the following year. Many people feel that tulips bloom well the first year after planting

and then rapidly decline during the following years. However, if the foliage is left until it yellowed, the second and third year bloom would exceed the first year's bloom considerably in number and size of flowers.

The leaves will remain productive until about the first week in July. At that time they are dry and crisp and can be pulled out of the ground with a sudden snap. Of course the yellow leaves will look unattractive all during June but this can be overcome if flowering annuals are planted over the top. Daffodil leaves should not be braided as this reduces the exposed leaf surface and thus the food producing ability of the leaf.

In addition to removing the old flowers, and retaining the foliage until it dries, make a light application of a complete fertilizer in May or June. One pound of a 5-10-5 or similar analysis per 100 square feet is about right.

A little care and tolerance of the old foliage of tulips and spring bulbs now will give dividends next spring.

L-W To Have Driving Class This Summer

Ronald Stopka, director of driver education at Lincoln-Way High School, has announced that, due to the large number of interested people, a summer driver education class is planned. Classes will start July 6 and end July 28. Minimum enrollment is 25.

There is no fee for persons under 21 who live in the school district. All other applicants will have to pay a \$20. tuition fee. Fees include text books, psycho-physical equipment and all three exams necessary for obtaining a driver's license.

Interested people should send their full name, address, city, county, zip code, phone number, sex and birthdate to Lincoln-Way High School c/o Ronald Stopka. Checks are to be made payable to Lincoln-Way High School and should be included with the above information.

Eagle Nine Still A State Contender

Last Monday, Sandburg Eagle baseball players had possibly five games left which might lead to a state championship. They were one of 32 teams left in contention for the Illinois state crown.

The Eagles were to play Oswego Tuesday at Rich Central, and if they won, they'd be back Thursday to play the winner of the Bloom-LaGrange game.

"All I know about Oswego," Coach Cliff Eade said, "is that they've got 12 kids that have been playing ball together since grade school and two good pitchers. They don't make mistakes in the field."

He had cause to be worried on that issue, since the Eagles in two weekend games had made 13 errors. Last

Friday, pitchers Wayne Connors and winner Don Urbanciz gave up no earned runs in eight innings, but still won by an 11-7 score. The leaky Eagle defense committed seven miscues. Ron DeHertough's triple was a key blow that tied the game. Doubles by Devine and Aronson brought in the winning runs.

Saturday, the Eagles lost in eight innings to Evergreen Park, 3-2. Six errors offset the good pitching of Pepper Pettit, Steve Kleinfeldt, and Len Gorney.

The Eagles rapped 17 hits in winning their two tournament games 6-4 over Evergreen and 8-3 over Argo. Eade's players have a 12-6-1 season mark up to the Oswego clash.

Ann Rutledge Pupils Visit Harbor, Lincoln Park Zoo

MRS. EMIL WILLE
Telephone: 469-5277
The pupils of the Ann Rutledge school have had their field trips. On Thursday the fifth and sixth grades went to the Calumet Harbor Seaport. Those who

accompanied the children were Mrs. Edna Florig, Mrs. Robert Anderson, Mrs. Frank Kovar, Mrs. Jerry Kovar and Mrs. Charles Scheeler.
On Friday the first and second grade pupils went

to the Lincoln Park Zoo. The ladies who accompanied them were the teachers, Mrs. Frances Feeley and Mrs. Thora Rourke. Also Mrs. Ferne Griggs, Mrs. Roy Robertson and Mrs. Russel Wolcott. On the same day the third and fourth grades went to the Museum of Science and Industry. Those accompanying these pupils were Mrs. Anyce Richmond, Mrs. Glenn Coburn, Mrs. Wm. Lovelock, Mrs. Richard Smith and Mrs. Robert White. The public Health nurse was at the Ann Rutledge school on Monday May 15 and conducted the annual eye and ear tests.

Mrs. Dennis Wheeler was the guest of honor at a Baby shower Saturday. There were about twenty friends and relatives present. The shower was given by Mrs. Dave Schuelke of DeKalb and Mrs. Harriet Bissel in the home of Mrs. Robert Wheeler.

Mr. and Mrs. Ted Emmett and daughter of Worth, Mr. and Mrs. Ed Mercier and son of Calumet Park, Mr. and Mrs. George Kaehler and Mrs. Emma Geiger had Mothers day dinner at the White Fence Farm.

The Lincoln Estates Athletic club rummage sale is almost here. The sale will be held June 9 and 10 in Hogy's hall. The money made from the sale is used to support club sponsored activities. If you have any good reusable items please call Tom Fordonski at 469-5005, Bill Frankenberg at 469-2277 or Russ Clark at 479-9456.

The Lincoln Estates Athletic club is preparing the Memorial Day tribute for Lincoln Estates. There is still time to enter your float or organization in the parade. We would like to invite you to join us in paying tribute. If you would like to be in the parade in any way, contact the parade chairman, Lawrence Nichol-

son at 469-5586 or Bill Frankenberg at 469-2277.

The Lincoln Estates Athletic Club Softball team opened its season against Silvia Hills A.C. of Joliet Friday May 12. The game was played at the Frankfort Park.

The chilly weather cooled the L.E.A.C. both offensively and defensively as the Silvia Hills A.C. spoiled Bud Scheelers debut as manager when they bombed them with 51 runs and 60 hits. They played nine innings in place of the regulation seven. There is an unwritten rule in Softball, that unless the game is real close after 40 runs you don't keep score. Being good sports, the Silvia Hills A.C. abided by this, but the L.E.A.C. score-keeper continued to count.

There was little to praise the L.E.A.C. for. However, there were a few bright spots. Scheeler and Smith each had 4 hits in 5 at bats. Frankenberg, Wyzewich, Vaughn and Rob each contributed 3 hits. Wyzewich hit 2 home runs and Schofield, Kaszmarek and Smith each hit one. Rob, Vaughn and Wyzewich wach batted in 4 runs while Smith added 3 more RBI's.

The L.E.A.C. opened its League schedule May 15 against the Eagles at Nowell Field. Friday, May 19, at 8:30 they play Gallis at Heggie Field. Monday, May 22 at 7:30 they play their old rivals of last season Bianco's Tap at Nowell and the last May game will be on Monday, May 29 at 6:30. It will be against Jim Graham Olds at Garnsey.

Mr. and Mrs. Emereth Boyden entertained at a family dinner in their home on Mothers day. Guests were Mr. and Mrs. C.J. Wroblewski and daughter of Gary Indiana and Mr. and Mrs. Jerry McLean and family of Kankakee. On Wednesday Mrs. Wroblewski and Mrs. Edna Clark of Gary and Mrs. Emereth Boyden had lunch at the Prestwick Country Club.

Mrs. Mary Dionne of Buffalo New York is visiting in the home of Mr. and Mrs. Gordon Letts. Mrs. Dionne is a former Lincoln Estates resident.

He was chairman for the Chicago-land parade for the national sunday school association. He is a graduate of the North Park College, Northwestern University and the Northern

Baptist Seminary. May 31 Good News club for children between the ages of 6 and 12. This is the last meeting until September.

The annual mother and daughter banquet was held on Friday evening May 12. A delicious dinner was enjoyed by over sixty people. After the dinner, a program was presented by the young people. There was a recitation by Candy Scheeler, a solo by Susan Sluiter, a song by Becky and Jody Scho-

field and Cindy Cummings and a song by Mrs. Russel Wolcott's Sunday school class. The following ladies were awarded prizes: Mrs. John Kooyenga, youngest mother; Mrs. Marvin Kluth, youngest grandmother; Mrs. Fred Harmon with the most children, Mrs. George Edstrom received a prize for having the lucky nut cup. Mrs. Mary Dionne of Buffalo New York the prize for coming the longest distance and Ellen Kluth the prize for guessing the lucky number.

Damaging Mail Box, Contents Can Cost Dearly, P.O. Warns

Complaints about damaging and tampering with mail boxes have been received recently by Postmaster Evelyn Kramer of Orland Park.

Some of the complaints, she said, deal with children. In some instances flags have been broken off the boxes and they have been otherwise damaged, according to the complaints.

Mail boxes are protected by federal law, the postmaster pointed out, and pranksters or vandals who damage

or destroy the boxes or their contents are in for trouble.

"Whoever wilfully or maliciously injures, tears down or destroys any letterbox or other receptacle intended or used for the receipt or delivery of mail on any mail route, or breaks open the same or wilfully or maliciously injures or destroys any mail deposited therein, shall be fined not more than \$1,000 or imprisoned not more than three years," the law reads, Postmaster Kramer pointed out.

Area Baseball Team Needs More Players

Telephone: 532-1516

The Tinley Gardens Baseball team will play two games this week if the weather permits, one with a Tinley Park team and one with a Lincoln Estates team. Let's all come out and help support our team. We would like to arrange some other games with teams near our area so if any of you readers know of any teams that are looking for games also please contact me. We operate as close to Little League as we can so any teams that we play must also conform mainly in the age area as our boys range from 8 to 13 years. We also have our bases, bats and balls and catchers equipment but no uniforms.

- 0 -

The Tinley Gardens Girls Bowling season has finally come to an end and therefore it appears to me to be the time to announce the individual winners so here they are:

High Score - Pat Kalas
High Series - Jackie Gunn
Booby Prize - Bernice Woods

On June 2nd the girls will have their banquet (Dinner

at Jardines and the Show at Drury Lane) and then the Trophies will be given to those deserving few.

- 0 -

Miss Cheryl D. Peyton of Ethyl Lane spent a very memorable weekend with her fiancé Pvt. Alan Scholten who finally got a weekend pass from Fort Knox, Ky. and made the quick trip by air. We all hope that he will be able to visit again soon.

- 0 -

Yours truly is now a fireman (probationary volunteer) on the Mokena Fire Dept. and I will pass along all the pertinent information that is at my disposal regarding our Fire Protection district at our next regular homeowners meeting June 5th.

- 0 -

Tinley Gardens will have its annual clean-up day Saturday May 27th and all junk

should be put out at the front before 9:00 a.m. Mr. Walter Yunker will furnish the truck and Tinley Gardens will furnish the manpower to load and unload the junk. If you need help to get this junk out to the street please contact me at the above number. Also we will need about 10 men to help load and unload, so if you will be home

Saturday morning we would appreciate your help with the junk. This so-called junk includes anything and everything that you no longer wish to remain around your house. For instance, old stoves, refrigerators, washing machines, lawn mowers, old tires, old hoses, scrap lumber and building materials, etc.

ORDINANCE NO. 343
AN ORDINANCE PROVIDING FOR
LICENSING OF CONTRACTORS
NOW, THEREFORE, BE IT ORDAINED by the President
and Board of Trustees of the Village of Orland Park, Cook
County, Illinois:

Section 1

LICENSE REQUIRED. It shall be unlawful for any person, firm or corporation to engage in the following businesses within the Village of Orland Park without having first obtained a license as herein provided:

- (a) Acoustical contractors
- (b) Air Raid Building contractors
- (c) Carpenter contractors
- (d) Concrete or Cement contractors
- (e) Dry Wall contractors
- (f) Excavating contractors
- (g) Fencing contractors
- (h) Flooring contractors
- (i) Garage contractors
- (j) Glazing contractors
- (k) Heating, Air Conditioning and Refrigeration contractors except those licensed in the municipality of their principal place of business
- (l) Lathing contractors
- (m) Masonry contractors
- (n) Painting contractors
- (o) Plastering contractors
- (p) Plumbing contractors
- (q) Porch contractors
- (r) Roofing contractors
- (s) Sewer and Drain Layers
- (t) Sheet Metal contractors
- (u) Tuckpointing and Cleaning contractors
- (v) Window contractors
- (w) Wrecking contractors
- (x) Blacktop Sealer contractors
- (y) Landscape contractors
- (z) Swimming Pool contractors

Section 2

FEES.

- (a) The annual fee for the following contractors enumerated above, to wit:
Acoustical contractors,
Fencing contractors,
Glazing contractors,
Painting contractors,
Tuckpointing and Cleaning contractors,
Window contractors, and
Blacktop Sealer contractors
shall be \$10.00; and for all other contractors enumerated above, the annual fee shall be \$25.00, ex-

cept that any person, firm, or corporation engaged in two or more businesses to which said \$25.00 fee is applicable, shall be subject only to an annual fee of \$25.00 plus \$10.00 for each additional trade.
(b) Fees shall be due and payable on the first day of May of each year and shall be paid to the Village Clerk. The annual fee shall not be apportionable.
Section 3

BOND.

- (a) Before any such license shall be issued, a person, firm, or corporation engaging in each of the above-mentioned businesses shall execute a bond running to the Village, with a corporate surety, in the amount of \$1,000.00, conditioned upon the performance by said person, firm or corporation of the obligation on their part to be performed under the terms of this Ordinance, and further conditioned to indemnify and save the Village harmless from any liability, loss or damage resulting from the work undertaken or in the manner of doing the same.
- (b) Except that any person, firm, or corporation engaged in two or more of the above-mentioned businesses shall execute only one bond in the amount of \$1,000.00 plus 50%, conditioned upon the performance by said person, firm or corporation of the obligation on their part to be performed under the terms of this Ordinance, and further conditioned to indemnify and save the Village harmless from any liability, loss or damage resulting from the work undertaken or in the manner of doing the same.

Section 4

REGISTRATION REQUIRED. It shall be unlawful for any person, firm, or corporation to engage in the business of Electrical contractor within the Village of Orland Park without having first registered and having paid an annual registration fee of \$25.00. An Electrical contractor who is registered in another municipality, however, shall not be required to register or to pay a registration fee.

The term "Electrical contractor", as used in this section, means any person engaged in the business of installing or altering by contract electrical equipment for the utilization of electricity for light, heat, or power. But the term "Electrical contractor" shall not include the installing or altering of (1) radio apparatus or equipment for wireless reception of sounds and signals, or (2) apparatus, conductors, or other equipment installed for or by public utilities, including common carriers, which are under the jurisdiction of the Illinois Commerce Commission, for use in their operation as public utilities. Nor shall the term include the employees by an electrical contractor to do or supervise his work.

Section 5

REGULATIONS. The licensed or registered person, firm or corporation shall:

- (a) At least once each week remove from the site of his activities all trash, refuse and waste materials;
- (b) At all times keep the site of activities in an orderly condition, free from standing water, unguarded dangerous implements, and health, fire and safety hazards;
- (c) Not obstruct traffic on streets, alleys or sidewalks or permit dirt or waste materials to fall or be carried onto such public ways;

- (d) Comply with all Ordinances relating to the construction of buildings or other structures, to the construction of streets or sidewalk pavements and all other laws or Ordinances pertaining to or regulating the activities engaged in.

Section 6

INSPECTION. It shall be the duty of the Village President, the Chief of Police and the Building Commissioner to make or cause to be made such inspections as may be necessary to enforce the provisions of this Ordinance.

Section 7

REVOCATION, SUSPENSION.

- (a) In addition to any penalty imposed under other sections of this Ordinance, the license or registration of any person, firm, or corporation engaged in any of the aforementioned businesses in violation of the provisions of this or any Ordinance or regulation may be suspended or revoked by the Village President after a hearing in which the licensed or registered person, firm, or corporation shall have the opportunity to be heard and bring in witnesses and evidence in his own defense.

All orders of the Village President suspending or revoking licenses or registrations shall be signed and shall be subject to judicial review pursuant to the provisions of the Administrative Review Act approved May 8, 1945, and all amendments and modifications thereto.

- (b) The Village President may deny the issuance of a subsequent license or registration for a period of one year from the date of such revocation.

Section 8

PENALTY. Any person, firm, or corporation engaging in the aforementioned businesses without first obtaining a license or registration therefor, or in violation of this or any Ordinance or regulation shall be fined not less than \$25.00 nor more than \$200.00 for each offense; a separate offense shall be deemed committed on each day during or on which a violation occurs or continues.

Section 9

SEVERABILITY. This Ordinance is intended to be severable. Should any part or portion of this Ordinance be adjudged to be invalid, then such part or portion so adjudged shall not affect any other part or portion of this Ordinance.

Section 10

REPEAL. That all Ordinances and parts of Ordinances in conflict herewith be and the same are hereby repealed.

Section 11

EFFECTIVE DATE. This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

PASSED this 24th day of April, 1967.

Report from Springfield

by William G. Barr.

Representative, 41st District

The General Assembly appropriated more money to operate the State of Illinois in 1965 than the Congress of the United States did to operate the entire country in 1917! This serves to demonstrate one action very necessary if our state is to be truly responsive to the needs of its people - the reorganization of the operation of our State Legislature.

With this in mind, the 74th General Assembly created the Illinois Commission on the Organization of the General Assembly, a 21 member board of legislators and private citizens. Working from July, 1965 to January, 1967, this committee produced 87 recommendations to be considered by the 75th General Assembly now in session. Most of the solutions can be brought about within the frame work of our present constitution.

Among the committee's recommendations are:

Annual Sessions: Problems concerning education, health care, human relations, urban decay, and all the myriad functions of state government do not begin in January and end in June of each odd numbered year - they are continuous and deserve the sustained attention of the Legislature. Any businessman knows how difficult it is to forecast a one-year budget for his own business, yet we in the legislature must try to forecast a two-year budget for the entire State of Illinois. No wonder a thorough legislative examination of the state's expenditures is impossible!

A constitutional amendment would not be necessary to initiate annual sessions, but because of the tradition of biennial sessions, specific provisions for annual sessions should be included in the proposed legislative article.

Debt Limit: The Illinois Constitution provides for a debt limit of \$250,000 for the entire state. With a budget of six billion dollars for the next two years, this limit is obviously unrealistic and ineffective. To circumvent this limit, the legislature, in 1957, created the Illinois Building Authority which issues bonds for major expenditures over and above that limit.

Essentially, this unrealistic debt limit has had two unhappy results; first, the state must pay a higher interest rate because bonds issued in this manner are not guaranteed by the state; and secondly, it has brought about a situation where there is really no debt limit for the State of Illinois. To correct this problem, the constitutional debt limit should be raised to a realistic figure to permit borrowing on the full credit of the State.

The Veto Power: If the Governor vetoes a bill, a two-thirds vote of the elected members of each House is required to override the veto. Yet since 1870, the Governor's vetoes have been overridden on only three occasions. This happens because the majority of bills are passed by the Legislature in late June. By the time the Governor reviews the bills, the legislature has adjourned with no opportunity to consider his actions. In the last session of the general assembly, 253 bills were vetoed on or after July 1. In essence, the Governor of Illinois enjoys an absolute veto! To fulfill its responsibility to the people of Illinois, the General Assembly should recess rather than adjourn. This would allow legislative action to be taken on any gubernatorial veto.

The "Log Jam": In the 74th General Assembly, 72.8% of all the bills were acted upon in the last month of session - 61% during the final week! This was the biennial "Log Jam" that plagued legislators. The House has now adopted a timetable which should help solve this problem. Under the new timetable, constitutional amendments must be introduced by April 1; no bills may be introduced in the House after May 1, without unanimous consent; action on all House bills must be taken by June 7; and bills originating in the Senate must be acted upon in the House by June 27. The new house rules are a step in the right direction.

Improvement of Committee Function: The purpose of legislative committees is to give "in depth" consideration to all bills. To properly screen bills, legislative committees should have a professionally trained staff made up of at least two persons, one named by the majority party and one by the minority party.

The new House rules also prohibit "proxy voting", - votes cast by legislators who are not present at the committee hearings. Citizens who travel long distances to testify before committees are now assured full attendance at hearings by the committee members.

Office Space and Secretarial Assistance: Every legislator must study and review about 3500 pieces of legislation each session, handle correspondence from constituents, maintain files for legislative information - all without office space or secretarial assistance. Each legislator should be provided with an office and secretarial assistance in Springfield when the legislature is in session if he is to be able to give his full consideration to the job he was elected to do.

I believe it is a matter of overriding public importance that the legislative branch of our State Government be revised. If the recommendations previously discussed and other recommendations of the committee are implemented, they can contribute significantly to making certain "that government of the people, by the people and for the people shall not perish from the earth."

The festival, sponsored by the Lions Club will be held at Community Park where various local organizations will operate concessions. The queen contest has six candidates and each is busily engaged in selling tickets. The one selling the largest number will become the festival queen.(Behnke photos)

Water Problem Study

The U. of I. has taken on a new job. To contribute to a better understanding of the growing waste disposal problem, the University will conduct research to learn the best way to handle one type of waste water.

The research will be financed by a \$600,000 grant provided by the Metropolitan Sanitary District of Greater Chicago and the U.S. Public Health Service.

M. D. Thorne, head of the U. of I. Agronomy Department, says that the university's role in the waste water disposal research project is to identify and solve the problems that might arise in developing a program to use digested sewage sludge on crop land. A second purpose is to learn the agricultural benefits that may result from using digested sewage sludge.

The digested sewage sludge consists of waste water containing three to five percent solids.

Field aspects of the U. of I. research will be conducted by the department of agronomy and civil engineering on a 10-acre site in the Kankakee area. The site will not be immediately adjacent to any heavy concentration of population.

Engineering aspects of the study will be conducted by the U. of I. Civil Engineering Department.

Air Show Rained Out May 14 Is Set To Go This Sunday, May 28

Wet grounds caused cancellation of the sky diving and model rocketry show on the Lincoln-Way High School campus May 14 and the affair will be staged this Sunday, May 28 under the auspices of the Lincoln-Way High School Band Parents.

Proceeds will go into the fund that is being raised to send the band to Denver. Donations for adults will be \$1; for children 50 cents.

The program is to begin at 2 o'clock.

Two of the sky divers, James Shannon, 26, and his wife, Peggy, 22, reside at Joliet. Peggy, for one, is glad the show was postponed

Would Beautify Village Land Along Hickory Creek

Beautification of the village property between Hickory Creek and the Rock Island tracks is one of the aims of Joseph Hartung, newly elected mayor of New Lenox.

Trustee Robert Wysock, public property commissioner, has been delegated to see that improvement of the tract be started as soon as possible.

It is the hope of the mayor that residents will use the area for picnics and recreation. In conjunction with this move Trustee Jack Batson is having a sign erected to restrict the dumping of rubbish at the rear of the sewer plant.

The section to be beautified lies east of the treatment plant. Also to be constructed in the vicinity of the plant will be a building to accommodate the equipment of the street, sewer and water departments. The village board is asking for bids.

June 10 will be the date that village residents will again have an opportunity to clean out basements, attics and garages and have the items discarded hauled away without charge. June 10 has been designated by the board as Clean-up Day. The garbage disposal firm serving the village will pick up the junk that is left at the curb.

The board approved an ordinance prohibiting parking in front of the New Lenox

State Bank between 7 a.m. and 10 p.m. Since the measure involves U.S. 30 traffic the village is asking the state highway department to approve the ordinance. If and when such approval is forthcoming the ordinance will be put into effect.

The bank has been complaining for several weeks that the parking of semi-trailers in front of its property has worked a hardship on bank customers.

Persons who have business with the village board on the night of its regular meeting, the first Wednesday of each month, are to communicate the nature of the business to Glenn Donaldson, village business manager, at least 48 hours prior to the meeting if it is to be placed on the agenda. In case of an emergency, it was agreed, the 48-hour advance notice could be waived. This will apply only to the regular meeting. For a time yet Mayor Hartung plans to have the board meet at least twice

a month so that the new members can become better acquainted with jobs as village officials.

The mayor and three new trustees, Wysock, Earl W. Schroeder and Francis Miller, and Mrs. Marjorie Wajchert, village clerk, were elected this spring. Council members whose terms do not expire until 1969 are Robert Randolph, Wilbur Thackrey and Batson.

Members of the village board are now getting advice and studying the potential expansion and industrial development of the community.

At the meeting of the Association of Commerce at which board members were guests, it was suggested that when persons interested in business development in the New Lenox area request information or indicate interest in locating in the area that three representatives, one from the village board, one from the planning commission and one from the Association of Commerce consult with them as a group.

LEAC Names Players For Softball Team

Manager, Bud Scheeler released the player roster for the Lincoln Estates Athletic Club 1967 16 inch softball team. Heading the list of players returning from the 1966 team are: Roger Wischover, last year's most valuable player; Don Schofield, the batting champion and Jake Setter, who won the sportsmanship trophy.

Three new players made the cut; a fleet-footed out fielder, who was a star on the St. Mary's team several years ago, John Reaney; Keith Fordonski, a good all around outfielder; and Bud Kaszmarek, who plays infield or outfield.

Dave Nicholson returns for his second year as bat boy, while Terry Frankenberg replaces Steve Bobzin as scorekeeper and Donna Frankenberg as average keeper.

Manager Bud Scheeler put Bill Frankenberg in charge of booking the games.

99-Automobiles For Sale

\$1639⁰⁰

What's the catch?
There isn't any.
\$1639 is the suggested retail price at the port of entry for the VW Sedan.
The price includes federal excise tax and import duty.
It includes the built-in heater/defroster, windshield washer, electric windshield wipers and dual paged sun visors.
It's the price of the real thing; not a stripped-down economy model.
What else do you have to pay?
The charge for transporting the car from the port of entry. The dealer delivery charge.
And local sales tax.
There is one optional that makes a lot of sense: the matching leatherette upholstery, for \$30.00 extra. Nearly everyone orders it because it eliminates the need for slip covers. And that's it.
(Unless, of course, you count the cost of gas and oil it takes you to get here in your present car.)

Mokena

Sunday Marks Baseball Opening; All Welcome

Telephone: 479-9321

THE Mokena Baseball Association kicks off the 1967 season Sunday, May 28, at the Mokena Park.

The program begins at 2:00 p.m. with the introduction of teams, managers and coaches. Following introductions, the Association will be presented donations by the Veterans of Foreign Wars, Joliet Old Timers Baseball Club, Mokena Lions Club, and will acknowledge support received from Mokena Merchants and business men.

Next on the program will be awarding of prizes to boys who have sold the most decals.

The mayor has been invited to toss the first ball to start the season. Three ball games will then get underway. On the Southwest diamond will be the two little league traveling teams, the Mokena Twins and the

Mokena Dodgers. The Minor league teams of which there are four, will play on the Northeast and the Southeast diamonds. Parents and boys playing in the minor leagues are urged to bring their own chairs, as there is a shortage of bleachers in this area. The refreshment stand will be open on Sunday.

St. John's United Church of Christ announces its Vacation bible school will be held from July 31, thru Aug. 4, from 9:00 a.m. to 11:45 a.m. All children of the community are invited to attend. Any adult interested in helping is asked to contact Mrs. Wm. Steen, 485-8902 or Mrs. Marvin Homerding, 479-9495. Baby sitting service will be available for pre-school children of workers. Leadership training will be starting soon.

Seaman Apprentice Guy D. Moses, USGG, son of Mr. and Mrs. Guy W. Moses, 11127 Bryant Rd., has graduated from basic training at the Coast Guard Recruit Training Center at Alameda, Calif.

The Eastern Will County area PTA council will provide a workshop to help incoming local unit officers and board members of Mokena, Frankfort, Lincoln Estates, Manhattan, Peotone and Beecher, on May 25, at 7:30 p.m. at the Willowcrest School.

If you are not sure about accepting an office or simply interested in PTA, this is an opportunity to observe and inquire for all members are welcome. You may check with your local unit president to arrange for rides.

When members of Cub Scout Pack 39 met for its

Pack meeting announcements were made concerning the coming activities of the group.

Willis Guth, Cubmaster, stated that due to personal commitments he is resigning as leader of the pack. The committee are now in the process of obtaining a new leader for the pack as well as additional den mothers so the Pack will be able to function next fall.

Bringing the year to a close a family picnic will be held June 14 at 6:30 p.m. in the Mokena Community Park. The picnic will be in the form of a cook-out with each family bringing their main meal. Drinks and dessert will be furnished by the Pack.

During the recent Scout Fun Show at Lewis College, Pack 39 entered a traveling horse act which paraded around the grounds. The "horse" was manned by two

boys from each den at two hour intervals.

It was also announced that members of the pack will march in the local Memorial Day and Fourth of July parades.

Awards for the May meeting will be presented at the June picnic.

Colors were presented by Den 3 - Mrs. June Gillette, leader; and songs by Mrs. Eleanor Wrath's den 5. An icebreaker was led by Jerry Leonard and a skit depicting a circus side show was presented by Mrs. Louise Kappel den 4. Handicrafts were exhibited by Mrs. Bernie Rinke's den 1 and refreshments were served by Mrs. Bernie Leonard's den 2. Games were conducted by Clinton Kraus.

A combination meeting and craft day was held by the Frankfort - Mokena Homemakers unit in the home of Mrs. George Sangmeister. "Whimsy" hats and tote bags were made by the members with Mrs. Arthur Buske and Mrs. Donald Ambuehl as instructors.

During the business meeting, Mrs. Betty Holm, Frankfort, was welcomed as a new member, bringing the total membership to twenty-three.

VILLAGE OF NEW LENOX
